

This document shall be issued upon changes to the design of a GCT Product.
It shall be distributed to all Interested Parties and shall be made available on the GCT Website.

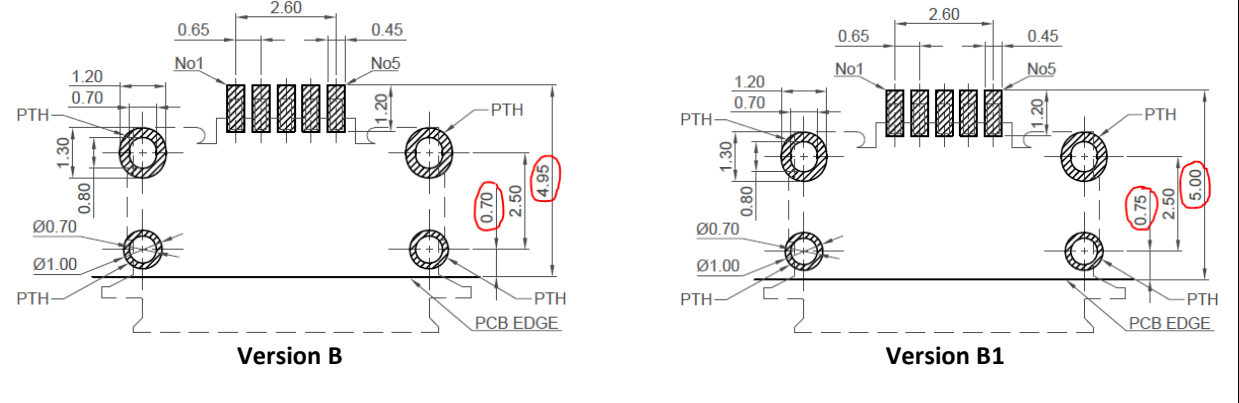

Date of Notice: (DD/MM/YYYY)	09/05/2022	Product Change Notice Number:	USB3505 B1 PCN 20220509
------------------------------	------------	-------------------------------	-------------------------

Product Identifier:	USB3505-30-A
---------------------	--------------

Drawing Revision Letter:	B1	Effective from date code/batch code:	Immediate
--------------------------	----	--------------------------------------	-----------

Description of Changes: with diagrams if relevant

1. Slight change to recommended PCB layout

Reason for Change:

Previous PCN (USB3505 B PCN 20220221) included a change to the recommended PCB layout. Later testing has proved both layouts will work, as the difference is only 0.05mm. Version B1 of the recommended PCB layout results in reduced impact for existing customers.

Anticipated Impact on Form, Fit, Function or Reliability:

None, as both recommended PCB layouts will work

Required Inventory Action:

None
